## 2014 TINTO NEGRO LIMESTONE BLOCK MALBEC

(aged in 12% new French oak): Bright medium ruby. Musky aromas of cassis, licorice and bitter chocolate, plus a touch of oak. Concentrated, bright, nicely delineated dark berry and smoky mineral flavors shows good sweetness for the year. Very round, seamless wine with no sign of heaviness or tiredness. Finishes tactile, broad and persistent, with firm but nicely buffered tannins. This very suave wine should provide considerable early appeal. 2017 - 2022

2013 TINTONEGRO MALBEC  
LIMESTONE BLOCK MENDOZA

“I was captivated by the mineral pungency shown by the TintoNegro 2013 Limestone Block Malbec Mendoza....”. “Its lovely delineation and energy are no doubt due to the presence of limestone in the soil.”
